

Fun activities on organic matter

- Click this [link](#) to play a fun game from pbs on how decomposers make organic matter.
- Click the [link](#) to have some fun going over WAMO info that we've learned over the last four weeks. These worksheets will test your knowledge while having a great time. Enjoy!
- Next week we'll be doing our virtual field trip on worm bins! These special Red Wiggler Worms are perfect for making compost.
